Domestic Violence Safety Plan Checklist: Use the following checklist to help create a safe environment during and after a Domestic Violence occurrence.

During the Incident:

- Stay away from the kitchen to limit the abusers access to weapons.
- Stay away from small spaces where the abuser can trap you.
- Find a phone to call 911 for help.
- Get medical attention as soon as possible.
- Take pictures of any injuries received.

- Make a police report.

Safety at Home

- Fill out a protective order application and follow up with court.
- Change the locks.
- Get a new phone number.
- Keep a telephone close by and charged.
- Know your neighbors and inform them that the abuser is not allowed near your home or you.
- Have a plan, use a code word, practice, and know where you'll go if you need to leave quickly.
- Keep a bag packed in a safe location with the essentials in case you can't return to your home.
- Self-defense classes.

Children

- Make sure they understand how and are prepared to call 911.
- Tell them never to get in the middle of a fight.
- Give copies of the protection order to the school or daycare provider.

Work

- Make sure that your boss knows about the protective order; ask if they need a copy for your file.
