Ordering Driver Records

An individual can order a driver record online or by mail. Driver records are not available in driver license offices.

Order Your Driver Record Online

You are eligible to request Driver Records online if you are requesting a Texas Driver Record for a Non-Commercial or Commercial Texas Driver License or a Texas Identification Card. Your browser must also support 128-bit encryption. You must be able to print at the time of the request, and will need access to a printer.

Information needed to request a driver record through this service:

- Your Texas Driver License
 - Driver License Number
 - Current license audit number
- Date of birth
- Last 4 digits of your Social Security Number
- A valid credit card (Visa, Mastercard, Discover, or American Express)
- Understanding of the type of Driver Record you need
- Adobe Reader ([Download Adobe Reader](#))
- Access to a working printer

Driver Records

Order your driver record online and print it instantly

Order Now

If you have questions about eligibility, please contact Customer Service at 512-424-2600 or electronically at [DL Customer Service](#). Please include your full name, date of birth and Driver License number in all online inquiries.

Order a Driver Record by Mail

To order a type 1, 2, 2A, 3, 3A, or certified abstract (type AR) of driving record by mail, follow the instructions on the [driver record request form \(PDF\)](#).

Companies that want to order driver records may [email License and Record Service](#) for information.

If the driver record has not been received three weeks after the date it was ordered, contact [Customer Service](#).

Driver Record Types

Driver Record Type Table

Driver Record Type	Information
<p>Type 1 Status record</p>	<ul style="list-style-type: none"> • Date of birth, license status, home address and original Texas driver license application date.
<p>Type 2 3-year history</p>	<ul style="list-style-type: none"> • Type 1 information, plus • List of crashes (if a ticket was received), and all moving and nonmoving violations for three years from date of offense.
<p>Type 2A Certified 3-year history</p>	<ul style="list-style-type: none"> • Certified version of type 2. • This record type cannot be used for a defensive driving course (DDC).
<p>Type 3 List of all crashes and violations</p>	<ul style="list-style-type: none"> • Type 1 information, plus • List of all crashes (even if no ticket was received), and all moving and nonmoving violations in the record. • Type 3 is provided only to the person the record belongs to. • This record type cannot be used for a defensive driving course (DDC).
<p>Type 3A Certified list of all crashes and violations</p>	<ul style="list-style-type: none"> • Certified version of type 3. • Type 3A is provided only to the person the record belongs to. • This is the only record type that can be used for a defensive driving course (DDC).

Driver Record Type**Information****Type AR**

Certified abstract of complete driver record

- Type 3 information, plus
- All suspensions in the record.
- Type AR contains all information in a driver record.

For questions about Crash Reports and Records, contact the [Texas Department of Transportation](#).

Driver Record Monitoring (DRM)

Per legislative directive, the Department has initiated a Driver Record Monitoring pilot. Upon successful completion of the pilot, the Department may proceed with full implementation of the program where it would contract with eligible entities to provide driver record monitoring services.
