2019
Williamson County
Community Health Assessment

Please take a minute to complete the survey below. The purpose of this survey is to get your opinions about health in Williamson County. The Williamson County Community Health Assessment Task Force will use the results of this survey and other information to identify the most pressing problems which can be addressed through community action. If you have previously completed a survey, please ignore this. Remember... your opinion is important! Thank you and if you have any questions, please visit our website at http://www.healthywilliamsoncounty.org/cha.
