

Your experience as a community member is important. Make your opinion count!

We are looking for community members in **Williamson County** to participate in a **virtual focus group** on **Thursday, September 23rd** from 6:30-8:00 pm.

Participants will share their thoughts about what makes it **easy or difficult to be healthy in their community**, and what resources or services are available and needed to promote health.

Participants will receive a **\$25** electronic gift card that can be used at 15 different locations, including Wal-Mart and Target

The focus group will use Zoom, accessible via computer or a cell phone

Hearing from you will help local hospitals better understand the health-related needs of the community and to create an informed plan for the future

The focus group will last 90 minutes

For questions or to register, please contact Emily Johnson, LMSW at ejohnson@texashealthinstitute.org or 512-953-3663

Focus group results will help these local health systems provide better healthcare in the community.
