# EMPLOYMENT SERVICES

Bluebonnet Trails Community Services offers employment services to individuals interested in gaining and maintaining integrated, competitive employment. Our services are individualized and person-centered, focusing on the individual's needs and preferences. We follow evidence-based practices that center on the belief that people we serve can work competitively, when the right kind of work and work environment can be found, with supports corresponding to their needs.

# EMPLOYMENT SERVICES

- Employment services are designed to help individuals find work and a work environment that is a good fit for them, enabling them to work successfully and independently.
- Employment is sought in the communities where individuals live, and supports are provided according to their needs.
- Employment Specialists provide individuals and their families with valuable information and training on Social Security benefits and work incentives. The main objective is to acquire the skills needed to work while still receiving benefits and to make informed employment decisions. For additional details, please visit SSA.gov and search for "Red Book".
